## Participant Notices

GlobeNet Order Books are designed to serve as a single point of price discovery for a GlobeNet traded security. The Order Book will allow you to view the 30 most competitively priced, outstanding and unexecuted GlobeNet orders (15 best bid and 15 best ask).

The Order Book is an investor's ultimate tool for price discovery and order tracking. Orders are prioritized on the order book according to: 1) price and 2) time (on the bid and ask sides, respectively.)

A model of the GlobeNet Order Book is displayed below.

**Company Profile** + 410

The Company principally manufactures and markets Specialty Vehicles, Ambulances. The Company manufactures both modular and van-type ambulances at its Hutchinson, Kansas and Orlando, Florida plants. Modular ambulances are produced by attaching an all-aluminum, box-type, patient compartment to either a dual rear-wheel cab chassis ("Type I") ambulance or a dual rear-wheel, van-type, cutaway chassis ("Type III") ambulance or to a single rear-wheel cutaway chassis ("Moduvan") ambulance. A cutaway chassis consists of only the front portion of the driver's compartment, engine, drive shaft frame, axle and wheels. Van ("Type II") ambulances are cargo vans modified to include patient compartment and a raised fiberglass roof. Type II ambulances are smaller and less expensive than modular ambulances. The Company also produces a limited number of medical support vans designed to transport medical and life-support equipment. Medical
